

We are excited to welcome you to both The OG Crick and The Crick PDX.

As we all have seen, the world has changed a lot in 2020 and of course, we have changed with it. Below you will find our Covid procedures... all that we are doing to help keep everyone safe and healthy.

- ★ Reservations are 90 minutes but the blocks are 2 hours
 - This gives us time to sanitize between groups. We are using an FDA approved, green cleaner, to sanitize every table, chair, and restrooms between seatings
- ★ For the safety of staff and patrons alike, no pets or children are allowed at The Crick or The Crick PDX
- ★ All patrons and employees are required to wear masks
 - Any time a person is not seated, masks are required
 - Going to the restroom?
 - MASK!
 - Want to buy some merch?
 - MASK!
 - Looking to take some pics?
 - MASK!
- ★ Forgot your mask? We have them available!
- ★ Hand sanitizer is available throughout the tasting room
- ★ All our glassware and dishes are sanitized in a high temp dishwasher
 - So fresh and so clean clean

We understand that things can come up, that things change, but reservations are non refundable. If your reservation is more than 7 days out, rescheduling is possible. Contact Customer Service for further assistance.
